

# **Business Travel Policy**

Department: Finance

Employees must obtain manager approval before booking business travel.

Economy class should be used for domestic and short-haul business flights unless an exception is approved.

Hotel expenses are reimbursable up to USD 150 per night unless a higher amount is pre-approved.

# **Travel Expenses**

Employees must submit travel expense claims within 15 days after returning from a business trip.

Receipts are required for individual expenses above USD 25.

Personal expenses incurred during business travel are not reimbursable.
